

## **Hole in One Insurance Details:**

The fund was established to help subsidize the traditional celebration of buying drinks should a Chapter member get a coveted Hole-in-One in any official SWFL Chapter event or outing. Only members that have paid for the insurance in advance will be reimbursed for Hole-In-One celebration expenses.

- Submit a paid bar bill receipt to the Event Chair
- Player will be reimbursed by the Chapter Board for that expense, with these considerations:
  - Not to exceed the total amount of funds held in the Hole-In-One account
  - Account balance changes based on participation & number of Hole-In-Ones paid out
  - If the fund balance falls <\$250, we will ask participating members to reinvest \$5 to help cover the next celebration(s)
