

Nominations are now open for the WILPF US Board!

WILPF addresses the root causes of violence through a feminist lens. We envision a transformed world at peace, where there is racial, social, and economic justice for all people everywhere.

The national Board is responsible for the overall leadership and governance of our US Section and ensures WILPF follows its aims and principles. The national Board acts on behalf of the membership of the US Section and is responsible to its membership.

To serve on the Board a WILPF US member must be a current member of the US Section and must have been a member for at least two years.
