Developmental Disabilities Awareness Month 2023

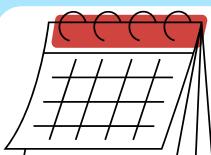

Beyond the Conversation

#DDAM2023

The Theme for [DD Awareness Month](#) 2023 is "Beyond the Conversation." It is time to ask the question, "Once the conversations have taken place, what comes next?" What comes next is action. What are communities doing to create change? So, simply said, the time for talking is over, now it is time for us to act to create this change

International Wheelchair Day is always 1st March and is an annual day of events and activities which take place around the World when wheelchair users celebrate the positive impact a wheelchair has on their lives!
