## **DIRECTIONS TO SLEEPY HOLLOW**

The address for Jungle Friends Primate Sanctuary is 13915 North State Rd. 121 Gainesville, Florida. However, on your first day please arrive at Sleepy Hollow 14013 North State Rd. 121, which is right next-door to Jungle Friends. You will drive just north of the sanctuary where you will see a yellow mailbox, turn down the long narrow driveway. You will pass a house on your left with double-glass doors, please park near the container, not in the circle drive.

Walk to the house and enter through the double glass doors which will take you into our gift shop, there someone will greet you. Please download, print and sign the rules and waiver and protocols and bring them with you. Also, be sure to watch the 7-minute documentary “Almost Wild” before your arrival.

If you were unable to bring in the signed forms, no worries, we have them right here for you to fill out. If you were unable to watch the “Almost Wild” documentary, you can watch that right here at Sleepy Hollow.

Please confirm your arrival the day before, and if you are running late, please call 386-266-2037 with your estimated time of arrival.

Thank you so much for your interest in Jungle Friends.
