FACING CORONAVIRUS AS A MOVEMENT

Monday, May 11 2pm ET, 11am PT, 9pm Israel

Join us for a panel discussion on how HDNA alumni and friends have been facing the coronavirus crisis in Israel. Our Workshoppers and bogrimot are leading inspiring efforts to provide mutual aid and youth movement education in an isolating time. They will report on how it's all going, and address the question: How do we balance revolutionizing Israeli society with meeting its immediate needs in a time of crisis?
