

**Name:** Jackson Bicart

**Position:** ½ of Team Tarbut

**Pronouns:** He/Him

**Age:** 22

**Hometown:** Keller, TX

**Years at Tavor:** This will be my second year!

**Tell us a little bit about yourself:** I graduated in May from the University of Texas in Austin, with a degree in Political Science & International Relations. I hope to soon go back and get a Masters in Education and pursue teaching!

**What is your job at Tavor, what will you be doing?**

I, along with Frieda, will be Team Tarbut! Most of my job will be similar to the chinuch in previous years, things like Tikkun Olam, Special Day, the Tochnit, Chuggim. Programming!

**What are you hoping to accomplish this year?**

Most importantly I want the chanichimot to have an absolute blast. Personally I want to build deeper relationships and continue learning from all the amazing people at machaneh.

**What activity are you most looking forward to sharing with campers?**

Zman Chadash! (This time of the day is one devoted to learning new skills. Counselors (and often campers as well) plan and run activities that are centered around teaching new skills.)

**How did you first come to/hear about Tavor?**

Ari Jahiel, who was always telling me about this special place that made her who she is.

**What is your favorite memory of camp?**

Driving 14 Bogrimot and an attached trailer all the way back from the Upper Peninsula post-Tiyul. Smelly, hungry, lots of loud music; a very chaotic but special memory.

**What's your favorite part of camp?**

The Chava!!

**Last, but not least: What was your favorite toy growing up and why?**

Not exactly a toy, but I spent hours and hours looking at maps as a kid. Explains a lot.
