What is your job at Tavor, what will you be doing?

I'm a Madatz Madricha this summer which means I'm going to be running the madatz program in collaboration with my tzevet, Noam and Ariel!

What are you hoping to accomplish this year?

I'm hoping to run a really meaningful process for my chanichimot, by the end of which they'll feel empowered to take responsibility over machaneh as a kvutzah!

What activity are you most looking forward to sharing with campers?

Probably shira! I've always loved the energy and happiness we can create with just our voices.

How did you first come to/hear about Tavor?

My three older siblings all went to Tavor so I've been visiting machaneh my entire life!

What is your favorite memory of camp?

My favorite memories from camp are from the late nights when my friends and I would stay up talking and bonding when we probably should have been going to sleep.

What's your favorite part of camp?

My favorite part of camp is the deeply loving community it fosters. The relationships and experiences I've gained from camp are some of the most meaningful and beautiful parts of my life.

Last, but not least: What was your favorite toy growing up and why? (be specific)

I loved playing with dolls as a kid. My favorite toys were these two baby bottles I had that were supposed to look like milk and orange juice, and the liquid inside would move! I thought it was seriously the coolest thing ever.
