

# TZEVET STORIES

**Name:** Sarah 'Spinc' Pincus

**Pronouns:** She/Her

**Age:** 21

**Hometown:** Boca Raton Fl

**Years at Tavor:** 10

**Tell us a little bit about yourself:**

I am in Kvutzat 65 and I go to the New College of Florida. I love spending time outdoors and on the beach. In my spare time I read and spend as much time I can with my dog.

**What is your job at Tavor, what will you be doing?**

Summer 2019 I will be one part of team techni! We help with a lot of the behind scenes things that help camp function.

**What are you hoping to accomplish this year?**

I hope that we have an extremely organized summer and one that's filled with brilliant briuters (cleaners) and amazing rikkuders(dancers).

**What activity are you most looking forward to sharing with campers?**

I love participating in and teaching Rikkud (Israeli dancing) on Shabbat! I think that it's one of the best traditions we have at Tavor and every summer I look forward to carrying it on with the chanichimot (campers).

**How did you first come to/hear about Tavor?**

Through my parents, I am a third generation Tavornik. My grandparents helped found Tavor and my grandmother was Rosh Mitbach for a number of years. Both of my parents and their siblings went to Tavor in the 70's and when the time came my parents started sending my sister and I.

**What is your favorite memory of camp?**

My favorite memory is finishing one of my Madatz projects- the Chofesh. It is a structure behind the chava (farm) that overlooks the lake. When it was finished, my kvutza (group) and I reminisced about the summer and enjoyed the wonderful view together.

**What's your favorite part of camp?**

My favorite part of camp is the community. Tavor gave me a Jewish space that I could be comfortable in and explore with growing up. It allowed me to be me without feeling pressured to be something else.

**Last but not least, What movie would be greatly improved if it was made into a musical and why?**

Definitely Star Wars, why because it would only make the movies more epic.
