How did you first come to/hear about Tavor? When I was 10, my brother first went to Tavor in 2008. I was very jealous, but my parents didn't think I was old enough to go away for a whole month. When I was 12, they finally agreed to let me go! My parents must have done some kind of research on Jewish camps and came across Tavor as the best option. They never actually told me how they found it. But I'm very glad they did!
