

For my mitzvah project I am raising funds for the Daniel M. Glickman Memorial fund (a scholarship fund for Jewish summer camps). If you or anyone you know would like to make a donation, please send a check made out to Kehillat Israel, with DMG Memorial Fund on the memo line. Thanks!

*The DMG Fund has provided scholarships so that I could attend Camp Gan Israel for 4 summers, Camp Tamarack for 1 summer, and Habonim Dror Camp Tavor for the last 3 summers. This past summer I went for a full session (23 days) -- the longest I have been away at camp. I was a little nervous about it, but the time flew by and I wasn't ready to leave when it ended. I love the friends I have made at camp and enjoy communicating with them during the year. Camp is something to look forward to during the school year.*

*Our congregation is small and there aren't that many other Jewish kids at my school, so camp has really strengthened my Jewish identity, plus it's really fun. I'm grateful for the DMG Fund. When it came time for me to start working on my mitzvah project for my bar mitzvah, it made sense to me to help other kids in our community have this amazing experience too. I will be organizing a few fundraisers at restaurants around town in the next few months and I hope you are able to come and support me and the DMG Fund.*
