

As you know, Camp Tavor is committed to providing enriching and financially accessible Jewish camping experiences! Our 2019 scholarship application is now available online through CampInTouch (the website through which you register for camp and complete other required camp forms). Please note that the application deadline for \*returning\* Camp Tavor campers is February 15th. Campers must be registered for camp to be eligible for a scholarship.

Please review the following directions, as we have made some changes to this year's application and have simplified the process:

To find the application, please log back in to CampInTouch [here](#).  
Click on "Forms & Documents"

There you can complete the "Scholarship Application" form as well as attach the required IRS forms through the "IRS Form for Scholarship Application" form.

Please note: To upload documents through the "IRS Form for Scholarship Application" you will need to click on the "Upload" button to the right of the form.

You can see a summary of the required forms by clicking on "more info" next to the application button.

**New this year, we will need one scholarship application completed for each eligible camper. However, this year's application is only 4 pages as we have tried to streamline the information we require.**

If you have questions, please contact our office at [scholarships@camptavor.org](mailto:scholarships@camptavor.org) before submitting your application.

The deadline for submitting the Tavor scholarship application is February 15th, 2019.

If you have any questions please email us at [scholarships@camptavor.org](mailto:scholarships@camptavor.org), or give us a call at

We are so excited for summer 2019!
