Let Us Introduce you to Our New Youth Coordinator, Kaytee Moore

I have lived in the Frakes community most of my life and cherish the closeness of our community members. I am a Christian and live to serve the Lord in all ways that I can. I have been married for 9 years and we have 3 beautiful children. I had been a Physical Therapist Assistant for 9 years and found myself laid off in 2020 after the pandemic caused chaos.

In April of 2021 I had been enjoying the stay at home mom life when I decided to bring all 3 children to an Easter egg hunt hosted by Henderson Settlement.

That day I was told of an opening as Youth Ministries Coordinator and began to pray about what God wanted for me. I feel that the Lord has given me a heart for children and has placed me in the Youth Coordinator position at Henderson Settlement to serve Him.

I fully intend to keep Christ the center of all of my work and I am excited at the opportunities to shine my light throughout the youth members of our community.
