Work Camp Restart

We are extremely excited to kick off our 2021 Work Camp season. This past year has been trying, and the impacts of virus mitigation procedures have had a major impact on our ability to serve our community's home repair and campus project needs. This pause in activity has made it clear to our community, and to our staff, just how much of a difference the VIM work teams make through their volunteer efforts. We have very much missed seeing those of you who were unable to travel last year, and we are very 'in-touch' with the backlog of on-campus activity that has built during our minimal staffing, and ultra-low Work Camp participation period.

However, we want to assure you that God has continued to provide exactly what we have needed, and at exactly the time when it has been needed, to respond to the most critical needs of our community. We have fed families and children who would otherwise have gone hungry. We have provided work station access and tutoring in collaboration with our local schools as 'virtual learning' has been implemented in the schools. We have altered our home visit processes for young mothers and seniors to ensure we have remained in touch and have encouraged those who have been largely isolated. Our Food Pantry and Thrift Store have remained open for all periods allowed under Kentucky State COVID restrictions. Our scaled-back staff has done a remarkable job of flowing to whatever work is most critical each day, and without complaints, but we are weary….and like you, we look forward to Spring and a return to a more normal operation. Our community has been blessed with a very low rate of COVID infection, and for that we remain extremely thankful!

Our prayer is that you, your families, and your church home have also weathered this storm under God's protection and blessing, and you are now discovering what He next has in store for you.

Again…our sincere thanks for your partnership with us in ministry and for your friendship.

We miss you dearly!

Your Work Camp Team, Jerry, Jessica, and Harry
