House Build Fund Raising

This year we are excited to begin our 38th foundation-up home build. Our recipient family has already been

identified, approved, and they have made preparations at the building site for our work to begin. They have patiently awaited the start of work, as construction planned for 2020 had to be postponed due to the impacts of the COVID virus. In 2019, their home burned to the ground and they lost everything. The Settlement has helped with clothing and other forms of support to help them recover, and they have since lived with family members. Home fires are unfortunately somewhat common, as many of our community members must heat with wood, coal, or kerosene stoves. Once a home fire starts, it is almost always a total loss due to the difficulty for our volunteer fire company to reach the home's remote location.

(From a previous home build project)

A number of our Settlement supporters have asked how they can help with this much needed, and life changing ministry. There are several ways that you can become involved:

If you, your church family, your senior youth group or other team feel called to share your skills and resources to participate in one or more weeks of a 6-week build cycle, please make contact with Jerry Lambdin at 606-337-3613, ext. 315 or Jessica Partin at 606-337-3613 ext. 314 to learn more about the program. There are segments of this build cycle that are a fit for almost any skill level. Since this opportunity is a construction site, it is not appropriate for younger children.

If you wish to support this program financially, your support will be greatly appreciated and it will make a life-changing difference for a community family that is without a home. The small, but energy efficient and low maintenance homes we construct currently cost $42,000 or more for the materials needed. Gifts to support this work can be directed to Henderson Settlement, PO Box 205, Frakes, KY 40940 with Home Build Fund noted in the memo line. Another option is to visit our web site at https://www.hendersonsettlement.com/home-build.html where you will find a Donate Now banner which will lead you to the e-giving page where a credit card or electronic funds donation can easily be made.

Please pray for this ministry and for the community members it serves. Recovery from the devastation of a home loss is difficult under any circumstances. For our economically challenged community members, it is ever more so.
