Our Community Outreach Ministries

Linda, Smithfield VA,
with her load of donations

The holidays are a time of reflection, a time to express gratitude for all that we have. Unfortunately, many in our community struggle just to meet their basic needs, so finding money to buy Christmas gifts at full price is simply out of the question.

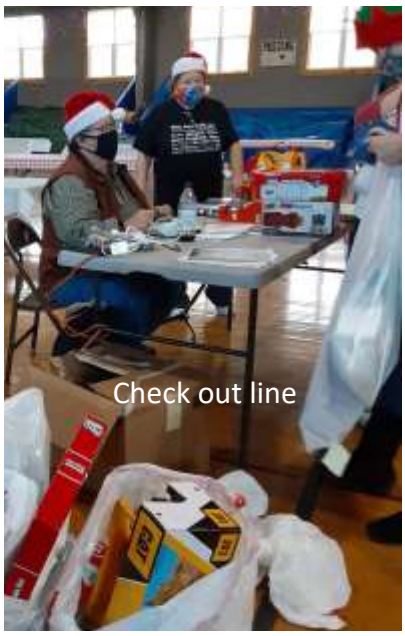

In this season of gratitude, we would like to give thanks for all the wonderful things our supporters did for our community. We are thankful to have had the financial support, the donations, the time spent here, and most of all the prayers. We would not have been able to feed 402 different families or provide 250 children with gifts this Christmas season without **YOU**!

Some moms shopping

You are making a real impact in the lives of our community.

"You are a God send for me and my kids. Thank you for all you have done to make our Christmas special. If you donated a single can of food, made a financial donation, or volunteered your time, … we thank you. It may seem like a small act to you, but to someone else it can be the difference between food on their table or skipping another meal." ***says one local mom.***

HUGE Toy Selection

Food pantry volunteers getting boxes ready.

God always provides and we are excited to see where He leads us in the new year.

We have already been blessed to have been chosen to receive a new walk-in cooler and freezer for our Food Pantry. God's Pantry in Lexington along with Feeding America has made this possible.

This equipment will allow us to increase the amount of perishable foods we receive and to reach more people in our community. With a little site prep, hopefully we will be using this equipment before spring.

We all share the common goal of closing the hunger gap in our community.

Then he took the five loaves and the two fishes, and looking up to heaven, he blessed them, and brake, and gave to the disciples to set before the multitude.

Luke 9:16
