We'd like to share with you an encouraging note left for our Settlement staff following an on-campus stay in late February, 2021: …. Thanks, Brittany!

To the Henderson Settlement Family,

In 2017, I came to Henderson Settlement as a 19 year old navigating through my first year of school at Augustana College. On that trip, I learned about love, community, and met my best friends. I have come back 6 times. Each time God reminds me of His promises in different ways. I wouldn't be the person I am today without Henderson Settlement.

Thank you for being a large part of my story.

I'll be back.
