Did you know that *Henderson Settlement*

is a charity that is eligible for support

via the Amazon Smile program?

You Shop. Amazon gives.

Amazon donates 0.5% of the price of eligible AmazonSmile purchases to the charitable organization of your choice.

Let us tell you a little about how this works:

Shopping via Amazon Smile.Amazon.com is just like the shopping experience at the Amazon.com site

What you pay for the items you purchase does not change or increase, when you shop via Smile.Amazon.com. Amazon simply makes a small percentage donation, based on your purchase price, to a charity you choose. **These small gifts really add up over time.**

Enrolling to use Smile.Amazon.com is really easy to do. We have developed a brief explanatory video that will guide you through the steps to make Henderson Settlement your Amazon Smile charity of choice. You can reach the video by typing it into your internet browser:
