Our Fall Appeal

We have established a goal of $650K for our 2019 Fall Appeal.

For perspective, this is more than six times the result of our most successful past appeal… an amount we cannot conceivably attain; one that only God can provide. We are leaning forward in faith, with the knowledge that with God, all things are possible!

We are currently at 8% of this goal received, with over 210 gifts thus far. If you are among those who have already responded, we sincerely thank you for your rapid action. If you have yet to contribute, and you are able to do so, please consider making a gift using the enclosed envelope. We look forward to a major celebration of God's provision as we enter 2020!

We know that you are concerned about the future of our community members, and in particular, our community youth! So are we. We feel that we are in a war, fighting for their hearts, souls, and even their lives. The drug abuse epidemic that plagues our country continues to be very severe in our service area. Many young folks in our community are being raised by their grandparents, as their parents are either incarcerated, dead due to drug overdose, or have left their family behind.

We are reinforcing our youth programming to increase spiritual development, life and job skills, and mentoring content, while retaining the recreation and food security support our children also need. On November 4th, Chris Rife joined us as the Youth Development Director. His leadership will help us accelerate our work to impact positively the lives of our community youth.

Please pray for our future, and consider advocating for the Settlement within your church, within your personal circle of influence, and potentially hosting a gathering of interested groups from your area that would like to learn more about our mission and ministry.

We will make every effort to support you as you do!

Happy Fall Y'all
