Youth Development Program is BACK!

In late February, 2021, we were able to restart our Henderson Settlement Youth Program! The first meeting this year with our community youth had 6 participants. The word that 'we're back' spread, and by the third meeting the group had grown to more than 20. The group has elected officers who will share leadership responsibility for the program with our Settlement staff.

The group has decided that they would like to attend a Christian music concert within the next few weeks. To help finance this trip and other program activities, we held our first Henderson Settlement Fundraising Telethon event on Tuesday, March 23rd. Though we experienced a few technical difficulties with our sound and videos, the event was a great success. The youth group was extremely encouraged to have exceeded their fundraising goal of $2,500, via receiving donations and pledges of more than $3,300 during the course of the event. Our Settlement staff, our Settlement Board of Directors, and most of all, our community youth wish to thank you for your tremendous demonstration of support!

If you would like to view all, or any part of the Telethon event, you will be able to do so on our website at https://www.hendersonsettlement.com/youth-ministries.html

First Ever Youth Development Telethon was a HUGE Success!

(We have edited the event recording to correct some of the sound problems we experienced. Even if you were able to participate in the 'live' event, you may also want to follow the above link, so that you are better able to hear the sound track of the videos that were presented.)

If you would still like to donate, go to our website, www.hendersonsettlement.com, use the **Donate Now!** button and select Youth or call 606/337-3613 ext.321 and talk to Brittaney about making your donation.
