

NASWA Veterans Policy Director Lori Adams was recently reappointed to the Advisory Committee on Veterans' Employment, Training and Employer Outreach (ACVETEO) for another three year term. She will also chair the Underserved Populations subcommittee.

ACVETEO is a Congressionally-mandated advisory committee authorized under Section 4110 of Title 38, U.S. Code, and subject to the Federal Advisory Committee Act (FACA). Its purpose is to assess the employment and training needs of Veterans and their reintegration into the workforce, determine the extent to which the programs and activities of the Department of Labor (DOL) are meeting those needs; assist the Assistant Secretary for Veterans' Employment and Training Service in carrying out outreach activities to employers with respect to training and skills of Veterans, and make related recommendations to the Secretary of Labor.

Each year, no later than December 31, ACVETEO is mandated to submit to the Secretary of Labor and to the Congressional Committees on Veterans' Affairs a report on the employment and training needs of Veterans for the previous fiscal year, with special emphasis on disabled Veterans. In addition to Underserved Populations, ACVETEO has two other subcommittees – Service Delivery and Innovative Veteran Training and Employment.
