

Wisconsin's DVOP Geraldine Perry was recognized yesterday at this year's American Legion National Convention. She was selected as the DVOP of the year by the American Legion for her outstanding work in Milwaukee. DVOP Geraldine Perry is assigned to provide case management services at the Center for Veterans Issues in Milwaukee, our HVRP partner.

"It is quite an honor to receive the National award," Perry said. "I had many well-wishers! There are so many that are deserving! I am committed to serving veterans."
