

Continue Growing
Our Family

Dear St. Mark's Family,

In his Second Letter to the Corinthians, Paul wrote, "You will be enriched in every way for your great generosity, which will produce thanksgiving to God through us; for the rendering of this ministry not only supplies the needs of the saints but also overflows with many thanksgivings to God." (2 Corinthians 9:11-12)

In our first "New to St. Mark's Class," I asked everyone to share what they appreciated about St. Mark's. Every answer included something about the relationships we have with one another. This reflects the generosity of spirit that we have for one another in this parish.

At our Stewardship Dinners we have heard stories of what St. Mark's has meant to several people. Take some time to think about what St. Mark's means to you. What has this parish family given to you? What have you given to this parish family, and how have you been enriched by giving that gift? Then, give thanks to God.

As we continue to grow our St. Mark's family, we continue to need the support of everyone who is part of the family. Part of the support we need is offering your time and talents to St. Mark's. I continue to be amazed by the many activities that happen here considering the size of our parish family and am grateful for the offerings made by so many to keep those things happening.

Another part of the support we need is the offering of finances. Those offerings are not just about keeping the lights on. They enable the St. Mark's family to continue uniting people to one another and to God in Christ. Again, I am grateful for the offerings that have been made by so many and know that you will be enriched for your great generosity.

Peace be with you,
