

1977 Harley-Davidson XLCR Café Racer

One Owner • 7,802 Original Miles • Fully Serviced • Collector-Ready

Offered for sale is a highly desirable and increasingly collectible **1977 Harley-Davidson XLCR**, a rare factory café racer that stands apart from traditional Harley styling of its era. This example has had **one owner since new** and shows just **7,802 original miles**, making it an exceptional survivor that has been carefully maintained and recently refreshed for reliable riding.

The bike has just undergone a **comprehensive \$4,700 mechanical service**, ensuring it runs and rides like new while preserving its originality. The engine and drivetrain were gone through to Harley-Davidson specifications, including new pistons and rings, a serviced transmission, re-

freshed chain and sprockets, and brand-new Michelin Road Classic tires.

The XLCR was a true head-turner when released in the late '70s — and still is today — blending café racer styling with classic Harley performance. Whether you're adding to a collection or looking for a vintage machine you can confidently ride, this bike delivers both investment value and everyday usability.

Price: \$15,000

Location: Wallingford, CT

(Local pickup only – Northeast USA)

VIN: 7F00670H7
