100+ Women Who Care | Macomb is a new group of inspiring women who desire to make a significant difference in our local community. This exciting philanthropic group will gather four times a year and collect monies from our members, then pool the resources to make a substantial financial impact on local charities.

100+ Women Who Care | Macomb is comprised of women from all different social and economic backgrounds. Individually it's challenging to make a dramatic contribution, but by combining our members' resources, simplistically we can make a huge impact on local non-profit organizations without time-consuming fundraising events and planning.

How 100+ Women Who Care | Macomb Works:

- Each member commits to donating \$100 per meeting (\$400 per year)
- The donations are given to an area charity/non-profit worthy cause serving Michigan only - national charities are not considered
- At each meeting, **members** have the option to submit a charity of their choice
- 3 charities are pulled from the hat and give a 5 minute presentation
- After the presentation, members vote for their favorite charity
- Each member writes a \$100 check to the winning charity
- 100% of the monies collected go to the charity selected by the membership

The group is currently inviting women to become part of this exciting movement.

Please share this invitation with your friends, family and colleagues.

We hope you will join us at our next meeting to see how fulfilling, easy and fun it is!

Please RSVP by Friday, October 27th to 100plusmacomb@gmail.com

Wine & Appetizers will be provided
