Invest In Our Future, Be A Host!

MFG Day is a national celebration of modern manufacturing and the great careers it offers. It provides an opportunity for manufacturers to inspire the next generation of our workforce to consider a career in the industry.

Macomb County will host one of the nation's largest coordinated efforts. Will you join us as a host site?

- Agree to host a tour in the morning and/or early afternoon on Friday Oct 6
- Prepare to welcome a group of up to 30 students from an area high school
- Talk about your company
- Show students what you do
- Create opportunities for them to meet your enthusiastic employees
- Inspire them to consider a career in manufacturing

Get involved!
