FE Moran Security Solutions Welcomes Joe Jordan as Chief Strategy Officer

Company plans to triple revenue in five years

CHAMPAIGN, IL and INDIANAPOLIS, IN, September 27, 2018 -- FE Moran Security Solutions, a nationwide provider of electronic security, life safety, and monitoring systems, and one of the largest security alarm companies in the Midwest, announces the addition of Joe Jordan to the leadership team as Chief Strategy Officer.

Formerly President of Accelerent – Indianapolis, a business development system designed to help a variety of industries access decision makers warmer, faster, and easier, Joe oversaw rapid market growth of more than 100% from 2016-2018. He will apply a unique perspective at FE Moran to achieve similar growth through business development, sales and acquisitions.

"Multipliers like Joe Jordan make business fun and rewarding," said Brett Bean, CEO. "Joe leads and builds with a servant's heart by first helping others achieve their goals, and he does it with poise, unwavering determination, and grit. We are blessed to have Joe join us in our mission to protect People, Places, and Profits. The future is bright at FE Moran Security Solutions."

"This addition by FE Moran is genius," said Randie Dial, Managing Principal for CLA's Indiana practice and current Accelerent member. "Joe Jordan was the ignition that Accelerent needed in Indiana and he delivered unprecedented growth. CLA has truly enjoyed his presence, his commitment, and his vision. Brett and Joe will be a tremendous team...keep your eyes on this company."
