Dear Richfield Families:

On Friday, November 11<sup>th</sup>, we will have our annual Veteran's Day program at Richfield Elementary School. It will begin at 9:30 a.m. and last approximately an hour. During this celebration, the RES band and choir will perform, our veterans will be honored and our school community will participate in a memorable day recognizing those that served our country.

We would like to extend an invitation to all veterans in the community to attend. On the day of the program, veterans will be recognized according to their branch of the military. Interested community members are encouraged to send a digital photo of a service man or woman, along with an identification message, to be played during the program slide show. Identification messages should include the veteran's name, branch of the military, conflict served in, relationship to school, and brief note from family. See the example below for more details.

John Smith, Korean War (1952-53), Army, Josie Smith's Grandfather,  
"Thank you for your service, Grandpa! We are proud of you."

We look forward to seeing everyone at the Veteran's Day program. If interested, please email the digital copy of your photo, along with a brief message, to Mr. Theisen at [theisenm@richfield.k12.wi.us](mailto:theisenm@richfield.k12.wi.us). Please note that because the program takes place during the school day at Richfield Elementary, students from Plat Elementary will not be in attendance.

Sincerely,

Jeff Carron  
Principal
