Annual Golf Outing & Picnic Recap

On Tuesday, May 20th, we hosted our Annual Golf Outing and Picnic at Ravenwood Golf Club—and what a day it was! The event was a tremendous success, with the golf outing selling out weeks in advance. We were fortunate to enjoy sunny, cool weather—an unexpected but welcome change from the cold and rainy forecast surrounding the event.

A huge **thank you** goes out to our long-time Golf Event Committee members, **Jim Browe** and **Kacie Sutton,** for their incredible dedication over the past 15 years. Their unwavering commitment to planning and organizing the annual golf outing has been a driving force behind its continued success, and their efforts have significantly contributed to raising vital funds that support the ASHRAE Rochester Chapter's mission.
As we look to the future, we're excited for the next generation of event leadership to carry on this tradition of excellence.
