

Central Massachusetts Public Health Training Hub Presents

Animal Hoarding: Discussion of Safety and Behavior

August 12, 2026
10:00 a.m. to 12:00 p.m.
Virtual Zoom Meeting

Presenter: Eileen Dacey

[Register here](#)

The presentation, "Animal Hoarding: Discussion of Safety and Behavior" will provide an overview of hoarding disorder (HD) with a thorough overview of animal hoarding behavior. Eileen will describe the onset, course, and prevalence of both possession and animal hoarding behavior. Eileen will discuss animal hoarding and the variables that maintain this complex behavioral health issue. Eileen will discuss animal hoarding case typologies and why appropriate case identification should match your intervention. Lastly, Eileen will describe stakeholder involvement and how to build a client-centered, multidisciplinary response.
