Employment Opportunity PUBLIC HEALTH PLANNER/SR PLANNER (Emergency Preparedness)

Are you passionate about public health emergency preparedness and ready to make an impact in Berkshire County? Join the Berkshire Regional Planning Commission's Public Health team as a Planner/Senior Planner and help strengthen local emergency planning, response, and training while collaborating with regional and state partners to enhance community resilience.

TO APPLY: Send resume and cover letter to info@berkshireplanning.org. Please include "PH Planner/Sr Planner (Emergency Preparedness)" in the subject line.

GENERAL DESCRIPTION

The Planner/Sr Planner (Emergency Preparedness) will provide support to multiple projects within the Public Health Program, with an emphasis on Emergency Preparedness, Emergency Planning and Emergency Response. This is a full-time, on-site position with the Public Health team. BRPC Planners currently have a flexible work schedule at the discretion of their supervisor, though core work hours (10 am to 4 pm) must be covered every workday unless otherwise agreed. Full-time staff must work a minimum of 35 hours per week, with occasional weekends and night meetings as required. Onsite positions currently require a minimum of two days in the Pittsfield office per week. This position reports to the Public Health Program Manager.

PRIMARY RESPONSIBILITIES

- Manage the Public Health Emergency Preparedness (PHEP) grant program ensuring deliverables like emergency dispensing site planning, Board of Health 24/7 contact updates, and reporting, while assisting local boards of health with emergency planning and response.
- Represent Berkshire County in regional and state committees, support emergency coalition meetings, and propose and manage additional preparedness projects.
- Develop and conduct training, coordinate and help manage the Medical Reserve Corps, and take the lead on public communication and response during emergencies.
- Assist Berkshire Country Board of Health Association (BCBOHA) with its programs, meetings, educational offerings, and emergency preparedness activities while maintaining and enhancing skills through training and exercises.
- Provide general support to the public health program, including grant writing, the identification of new funding sources and administrative duties.

ADDITIONAL RESPONSIBILITIES

- Provide staff support for planning and assist with a wide range of significant public health projects that may include, but are not limited to:
 - Diversity, Equity, and Inclusion
 - Public Health Nursing and Environmental Health Inspection Services
