

## **IUPUI Internship Opportunities for NAWBO Members and Corporate Partners**

NAWBO-Indianapolis and the IUPUI School of Health and Human Sciences Department of Tourism, Event, and Sport Management and the Department of Computer Information & Graphics Technology School of Engineering and Technology have developed an alliance that will provide an opportunity for NAWBO Members and Corporate Partners to secure interns in the following areas.

- Marketing (includes social media and related marketing skillsets)
- Event Management – (includes virtual meetings)
- Graphics and Branding
- Engineering support services
- Information Technology

Internships can begin at any time throughout the year and would be available starting at 100 hours of completion based on which school you choose to engage. To attract top talent, it is recommended that interns be paid for their time. There is a program available through the Indiana Chamber to help with defraying of up to 50% of the cost for the intern.
