

Participate in shaping the future of MOC!

WHAT: MOC Regional House Meeting

WHEN: Sunday, August 25, 2019, 12:30-2:30 PM

WHERE: Unitarian Universalist Congregation of Marin
240 Channing Way, San Rafael, 94903

WHY: Come gather with other leaders from throughout Marin to listen and share our stories about the critical issues facing our families, neighbors and community.

After holding small group conversations with hundreds of residents of Marin within our MOC institutions, this regional

meeting is a way to expand our learning across our institutions – across lines of geography, race, religion, language, class and culture to further explore and refine what we've heard.

We can then start to research potential concrete, winnable issues and expand our leadership to take them on. Please join us!
