

Membership Dues Update for Corporate Clubs

Important information for corporate club members and HR/Learning & Development Teams

ACTION RECOMMENDED BY AUGUST 3

Toastmasters International membership dues will increase from **\$60 USD** to **\$72 USD** per member for each **six-month renewal period**.

Corporate clubs have an opportunity to renew eligible members at the current rate of **\$60 USD** if the renewals are submitted **before August 3**. Renewals submitted after this deadline will be charged at the new rate of **\$72 USD**.

Corporate club officers and HR or Learning & Development teams are encouraged to begin any necessary internal approval, budgeting, or purchase-order processes as soon as possible.

What this means for your organization

If your organization funds Toastmasters memberships, this is an opportunity to renew members before the new dues rate takes effect.

Organizations may wish to review:

1. Which employees are eligible for renewal
2. What internal approvals or purchase orders are required
3. Whether the renewal can be completed by August 3

Club officers should work closely with their HR, Learning & Development, or Finance teams to ensure that approved renewals are submitted by the deadline.

Why are dues increasing?

Like many organizations, Toastmasters International was significantly affected by the economic impact of the COVID-19 pandemic. Despite the extraordinary efforts of club and District leaders around the world, the organization has not yet returned to its pre-pandemic membership levels. At the same time, the costs of delivering services and supporting members globally have continued to rise.

Over the past several years, Toastmasters has taken significant steps to manage expenses responsibly while continuing to serve its members. However, cost reductions are only part of the solution.

The dues increase will help strengthen the organization's long-term financial sustainability and support continued investment in the educational experience, technology, member services, and resources that support clubs and members around the world.

Membership dues at a glance

Current dues: \$60 USD per member for six months

New dues: \$72 USD per member for six months

Deadline to renew at the current rate: Before August 3

Why Toastmasters remains a valuable investment

Corporate Toastmasters clubs provide employees with a practical environment in which to develop communication, leadership, confidence, and interpersonal skills.

Members learn by doing. They practice giving presentations, leading meetings, offering feedback, listening effectively, and communicating ideas with greater clarity. These are skills employees can apply immediately in the workplace. You won't find a more cost-effective, hands-on training opportunity anywhere.

Thank you for your organization's continued investment in developing confident communicators and effective leaders through Toastmasters. Your support helps ensure that employees can continue benefiting from this valuable professional development opportunity.
