This year our staff has created a Ministry Plan to guide our work. Our theme is “Living Intentionally.” This theme developed out of conversations about why we do certain things as a church. Our *intention* is to weave this theme into much of what we will be doing in the main areas of church life. This plan will carry us through August 2019.

Worship

- Provide a resource for families to discuss why each element of worship is important.
- Create a more user-friendly worship guide to emphasize the important elements of worship; including our use of the liturgical seasons.
- Offer a stronger focus on certain days in the liturgical year (i.e. Reformation, Epiphany, Pentecost), explaining why these days are spiritually significant.
- Offer themes and topical sermons throughout the year to help people intentionally live out their faith.
- Find intentional ways to be more creative in the early worship service.
- Utilize a larger variety of age groups in worship.
- Be intentional about celebrating God’s work through our people and ministries, linking these celebrations to opportunities for further service.

Discipleship

- Increase the number of opportunities for Pastor’s Class and Baptism from once a quarter to bi-monthly.
- Offer teaching sessions on our beliefs as Christ-followers and what it means to have a vibrant, growing faith.
- Once a month, in different settings, use testimonies to share how people are growing in their faith.
- Build on our women’s ministries through the formation of Women of Oakland Baptist Church (WOBC).
- Increase the opportunities for men’s discipleship (retreats, Bible study, etc).
- Host a Parent/Child retreat for increased spiritual growth as families. Use this a catalyst for creating a greater emphasis on Family Ministry.
- Establish a blueprint for faith development beginning with children and moving through adults. What are the essentials we want people to know? What is the course for getting them there?
- By next August, propose the plan for a church-wide discipleship effort beginning Fall 2019.

Fellowship

- Plan a church-wide fellowship activity once a quarter.
- Use tools that will help people engage with one another, paying special attention to connecting worshipers from both services with each other.
- Promote more intergenerational opportunities.
- Participate with community churches in a Thanksgiving worship service.
- Host a Summer Beach Blast event at the end of Vacation Bible School. Use this event to connect with our neighbors—particularly those attending VBS.

Outreach/Missions

- Enrich each guest's experience of Oakland by improving the ways we connect and follow-up. Offer more information, hospitality, and concise instructions on getting involved with OBC.
- Establish "Coffee with the Pastor" opportunities once a month to connect with visitors.
- Renovate the "Welcome Area" entering the gym doors to make it more attractive, especially to guests.
- Create a plan for "Telling Our Story"—what makes OBC unique?
- Continue to make our facilities more available for community use. This will also include establishing a new Facility Use Policy.
- One Sunday each month we will emphasize a local ministry partner, as well as information on how to join their ministry. We will also implement quarterly hands-on mission projects.
- Offer opportunities to discuss the state of the North American church and the global church, as well as our intention for reversing the current trends. It is important we understand where the larger church is and how she relates to OBC. Include in this conversation the changing needs of our community and implement ways to meet those needs.
- Embrace our Day School by finding better ways to connect with parents.

Administration

- Make communication a priority!
- Per our Constitution, reinstate the annual church business meeting. The meeting for the upcoming year will take place on January 13 at 5:00PM.
- Hold quarterly church business updates (these are not business meetings), with transparency being a key operative. These will take place between 5:30-6:00PM on Wednesdays minus first quarter: October 3, April 3, July 10.
- Move toward a primarily digital communication system.
- Increase our social media presence.
- Redesign the website to be more user-friendly for visitors and maintain its content on a weekly basis. The website will now be maintained in-house.
- Update the church app/directory with current pictures and member information.
- Explore the possibility of a Minister for Education and Missions.

At Oakland, worship is central to all that we do as it prepares us to live and serve as disciples of Jesus Christ. We offer two distinct worship experiences each Sunday morning, as well as special services throughout the year.

Creative Worship

At 8:45AM in the Family Life Center, we gather in this less formal space for a more creative worship experience. Guitars accompany congregational singing. Often worship will include various multimedia elements, creative ways to pray and participation from children. People of all ages attend this service, and there is childcare, although many families choose to keep their preschool children with them in worship.

Traditional Worship

At 11:00AM we gather for traditional worship in our beautiful sanctuary surrounded by sacred symbols of the faith. Children bring in the cross and light the candles. Worship includes hymns and songs accompanied by organ and piano, a choral anthem sung by one of Oakland's choirs and often handbells or other special music.

ONE Worship

Periodically the whole congregation joins together for ONE Worship. This worship experience varies in style and often includes elements like Deacon Ordination, Christmas in July and special celebrations.

Special Services

This Fall, on October 7, we will celebrate World Communion, a day when our congregation as well as congregations across the globe all experience Communion as one body of believers in many contexts.

On November 11, following Worship, our Military Task Force will honor Veteran's during a special luncheon.

On November 18, we will join with other churches in the community for a service of Thanksgiving.

On the evening of December 24, we will gather for worship and communion. This is a service that people look forward to every year. We conclude the service singing "Silent Night" by candlelight.

You, the members of OBC, are our best outreach tool! Invite your friends, neighbors, co-workers. Tell our story! Share with others what you love about OBC, what makes us unique and the many ways we seek to be the presence of Christ at the crossroads of life.

Pastor's Class

Every other month Pastor Jeff offers a class for those interested in making a faith decision for Christ or for those interested in learning more about what it means to follow Jesus and experience baptism. On the fourth Sunday of every month, visitors are welcome to coffee, juice and conversation about how to be a part of Oakland, mission options, and opportunities for their family.

If you know of people who may be interested in learning more about OBC, please invite them to join Jeff in the Fellowship Hall for one of the following Coffee with the Pastor sessions:

Oakland's mission statement invites us to be the presence of Christ at the crossroad of life. Jesus calls us to minister to people's needs, whatever they might be, in Rock Hill and around the globe. We encourage everyone to become personally involved in living out our faith. Below are ministries in which Oakland is actively involved and places where volunteers are always needed!

Oakland Baptist Church Ministry Center

Located at 1021 Charlotte Ave (a few blocks from the church), the Ministry Center provides clothing, household items, toiletries and help with utilities for those who are in crisis situations. At the end of every worship service where we celebrate Communion, ushers stand at the doors collecting monetary donations for the Ministry Center. For more information about serving at the Ministry Center contact Caroline Krueger ckrueger@comporium.net

Sunday School

Young Adult Class: Fellowship Hall 130

This class provides a place for those who are college-age or just beyond that to study scripture and discuss its application to their lives. This is a place for Winthrop and York Tech students, and young adults just beginning careers to gather regularly, as well as our OBC students who attend college in another city to come to when they are home. Teacher: Ben Lucas

Wacaster Class: Room 302

An active class of 30's and 40's with children ranging from newborn to late teen who gather to share life, love, support, learning, and serving together. We follow the Formations Study Guide and focus on the study of God's word and application of it to our lives. Teacher: Brian Wacaster

Friends and Faith: Room 126

This class primarily made up of couples with children. The average age is mid-30's through 40's. Lessons are discussion-based with the teacher being the facilitator. Our class enjoys socials and get-togethers. Come join us! Teacher: Rotating

Mobley Class: Fellowship Hall 131

This class is aimed at the 45-60 age range. We use the Smyth & Helwys curriculum to study the Bible and apply those lessons to our individual lives and the corporate life of our church. We enjoy developing relationships and supporting each other through the challenges and joys of this stage of life. Individuals and couples are always welcome to join us! Teacher: Judy Mobley

Snyder Class: Fellowship Hall 127

This class generally attracts single and married adults in their 50's and 60's (many are grandparents) who enjoy studying God's Word in an alternative fashion to the traditional Formations material. We also enjoy occasional visits to our class by grown children of class members, in order to lower our average age. The format is discussion, not lecture, with humor and concern for one another. Teacher: Frank Snyder

J. Johnson Class: Fellowship Hall 120

This class is made up of middle aged adults, singles and couples from the mid-50's to mid-60's (some of us do spend time talking about grandkids, but it is not a requirement!). We offer a casual, relaxed conversational and opened-ended class atmosphere in which everyone's opinion is welcomed and all are valued. We use Formations literature as a basis for teaching and discussions. We care about each other and our community and welcome new folks, young or old, to join us as we seek a closer walk with our Lord. Teacher: Jimmy Johnson

Robinette & Williams Class: Fellowship Hall 123

We are late career and early retirement couples and singles who bring mature and varied experiences in Christian growth to weekly open discussions of how our faith does and/or should impact our daily lives, our families, OBC, and the broader community. Our class discussions are facilitated by two rotating teachers with uniquely different teaching styles and anchored by respect, support, and a true sense of "church family" for all members of the class.

Teacher: Gary Williams & John Robinette

Caring Class: Parlor

The Caring Class is especially for women, ages 30 and up, who want the opportunity to share with women of all ages, experiences and nationalities. We care for our class members and others, so we are named for what we do. We use Smyth & Helwys curriculum. Come sit and share at our table. Teacher: Joyce Wright

B. Johnson & Vipperman Class: Room 141

We are an intergenerational class of Princesses and Paupers, wise men and fools, all students of Christ, sharing the news -- arm-in-arm, hand-in-hand, on the journey together to the promised land. Teacher: Barry Johnson & David Vipperman

The Friendship Class: Room 207

This made up of mature ladies who study the scriptures and use the Connections literature to lead us. We minister to and pray for one another through care groups. We make monthly contributions to local ministries as well as foreign causes and use our additional funds for needs that arise in our church and Community. Teacher: Eddie Ramsey

Grady Lane Class: Fellowship Hall 128

The members of the senior men's Sunday school class (ages 65 and up, but anyone is welcome) come from various backgrounds and talents, but are melded into a body of believers and are eager for dialogue. The literature used is from Lifeway. The class feels strongly that the purpose of Sunday school is to study the Holy Scriptures and strive to find application in everyday living. Teacher: Richard Sealy

Faithful Followers Class: Room 206

We are a class for active men/women senior adults age 60 and above. Currently our lessons come from the Formations Adult Bible Study series, with a teaching style that encourages members to actively participate. Our class is made up of a caring group of individuals, many of whom minister not only to each other, but also to the Rock Hill community through a number of opportunities for service offered by OBC. If you are looking for a Sunday school family, we have a place for you! Teacher: Mack Jones

The Youth Ministry of Oakland Baptist Church seeks to help every 6th - 12th grade student make steps toward deeper faith in Christ through Sunday School, Youth Group, Wednesday night activities, mission opportunities, fellowship, retreats and youth conferences. Weekly youth activities (except music) begin in the basement.

This year as we *Live Intentionally*, we will seek to embody the words of Colossians 3:17, letting every detail in our lives: words, actions and everything else, be done in the name of Jesus, thanking God every step of the way.

Wednesdays at OBC

Wednesday Nights: Mission Possible, 6:00PM-7:10PM

We meet in the Youth Room on Wednesday evenings at 6PM during the school year before embarking on our mission project. Some weeks we will serve at Project Hope, the Ministry Center, the Children's Attention Home and other local agencies. Other weeks we will stay at the church for mission-related activities.

Fall Retreat: November 2-4

OAKLAND DAY SCHOOL
rooted in love

Oakland Day School

Oakland Day School exists to provide a stimulating yet secure environment in which a child can grow socially, physically, emotionally, spiritually, and intellectually in a Christian atmosphere.

The main emphasis is on the child's social growth and acceptance and on the development of a positive self-image.

R.E. Dewey has written , "A child's moral upbringing has an effect upon him which will remain largely untouched by anything that happens to him thereafter." Therefore, we feel that the church has an important role to play in educating the child and molding their character.

Spiritual and enrichment goals for the child will include:
Developing an appreciation for God's greatness as our creator, and for the beauty of all God's creations, experiencing successful achievements, understanding the law and order of the natural world, and developing a sense of kindness, cooperation, and loyalty.

Oakland Day School which was founded in 1980 has provided an enriched learning environment that has helped countless students get ahead. This year we have over 100 students and 15 teachers eager to learn, create and grow together. We have two, three and five day classes for one year olds - three year olds and a five day class for four year olds.

Deacon Ministry

According to New Testament understanding, the purpose of the Deacon is to care for all church members and other persons in the community; to proclaim the Gospel of Jesus Christ; and to lead the Church in concert with the ministers in a spirit of fellowship, worship, witnessing, education, peacemaking, and service.

OBC Church Covenant

United in the faith that Jesus Christ is the Son of God, revealed in history, disclosed in the Scriptures, and experienced in human life, we, the people of Oakland Baptist Church, do solemnly and joyfully make this Covenant together:

- We will be faithful to the public worship of God, gathering as the Body of Believers to celebrate God's glory and remember God's grace.
- We will take seriously the responsibility and privilege of personal Christian growth, diligently seeking to establish and maintain a Christian atmosphere in our homes.
- We will love and encourage each other in the Body of Believers and admonish each other as occasion may require. Our differences will not separate us but rather increase our understanding and strengthen the bonds of Christian love.
- We will be faithful stewards, as God has prospered us, contributing our financial support for the Church and its ministries and offering ourselves for God's work in the world.
- We will, with God's help, so live our lives that others, seeing the joy of Christian living, may seek to know Jesus Christ our Lord.
- We will be a servant Church, recognizing the infinite worth of every person and believing that Christ has called us to active involvement in behalf of humankind.
