This year our staff has created a Ministry Plan to guide our work. Our theme is “Living Intentionally.” This theme developed out of conversations about why we do certain things as a church. Our *intention* is to weave this theme into much of what we will be doing in the main areas of church life. This plan will carry us through August 2019. Visit the Ministry Plan tab on the website for updates on our progress.

Worship

- Provide a resource for families to discuss why each element of worship is important.
- Create a more user-friendly worship guide to emphasize the important elements of worship; including our use of the liturgical seasons.
- Offer a stronger focus on certain days in the liturgical year (i.e. Reformation, Epiphany, Pentecost), explaining why these days are spiritually significant.
- Offer themes and topical sermons throughout the year to help people intentionally live out their faith.
- Find intentional ways to be more creative in the early worship service.
- Utilize a larger variety of age groups in worship.
- Be intentional about celebrating God’s work through our people and ministries, linking these celebrations to opportunities for further service.

Discipleship

- Increase the number of opportunities for Pastor’s Class and Baptism from once a quarter to bi-monthly.
- Offer teaching sessions on our beliefs as Christ-followers and what it means to have a vibrant, growing faith.
- Once a month, in different settings, use testimonies to share how people are growing in their faith.
- Build on our women’s ministries through the formation of Women of Oakland Baptist Church (WOBC).
- Increase the opportunities for men’s discipleship (retreats, Bible study, etc).
- Host a Parent/Child retreat for increased spiritual growth as families. Use this a catalyst for creating a greater emphasis on Family Ministry.
- Establish a blueprint for faith development beginning with children and moving through adults. What are the essentials we want people to know? What is the course for getting them there?
- By next August, propose the plan for a church-wide discipleship effort beginning Fall 2019.

Fellowship

- Plan a church-wide fellowship activity once a quarter.
- Use tools that will help people engage with one another, paying special attention to connecting worshipers from both services with each other.
- Promote more intergenerational opportunities.
- Participate with community churches in a Thanksgiving worship service.
- Host a Summer Beach Blast event at the end of Vacation Bible School. Use this event to connect with our neighbors—particularly those attending VBS.

Outreach/Missions

- Enrich each guest's experience of Oakland by improving the ways we connect and follow-up. Offer more information, hospitality, and concise instructions on getting involved with OBC.
- Establish "Coffee with the Pastor" opportunities once a month to connect with visitors.
- Renovate the "Welcome Area" entering the gym doors to make it more attractive, especially to guests.
- Create a plan for "Telling Our Story"—what makes OBC unique?
- Continue to make our facilities more available for community use. This will also include establishing a new Facility Use Policy.
- One Sunday each month we will emphasize a local ministry partner, as well as information on how to join their ministry. We will also implement quarterly hands-on mission projects.
- Offer opportunities to discuss the state of the North American church and the global church, as well as our intention for reversing the current trends. It is important we understand where the larger church is and how she relates to OBC. Include in this conversation the changing needs of our community and implement ways to meet those needs.
- Embrace our Day School by finding better ways to connect with parents.

Administration

- Make communication a priority!
- Per our Constitution, reinstate the annual church business meeting. The meeting for the upcoming year will take place on January 13 at 5:00PM.
- Hold quarterly church business updates (these are not business meetings), with transparency being a key operative. These will take place between 5:30-6:00PM on Wednesdays minus first quarter: October 3, April 3, July 10.
- Move toward a primarily digital communication system.
- Increase our social media presence.
- Redesign the website to be more user-friendly for visitors and maintain its content on a weekly basis. The website will now be maintained in-house.
- Update the church app/directory with current pictures and member information.
- Explore the possibility of a Minister for Education and Missions.

You, the members of OBC, are our best outreach tool! Invite your friends, neighbors, co-workers. Tell our story! Share with others what you love about OBC, what makes us unique and the many ways we seek to be the presence of Christ at the crossroads of life.

Pastor's Class

Every other month Pastor Jeff offers a class for those interested in making a faith decision for Christ or for those interested in learning more about what it means to follow Jesus and experience baptism. The class is geared toward individuals between 6 and 18 years who have expressed interest in making a faith decision or who have recently made a faith decision and have not been baptized.

Pastor's Class will take place at 6PM on the following dates:

January 24, March 28, May 23

Baptism Sundays are scheduled on the following dates:

February 17, April 21, June 16

Coffee with the Pastor

Each month Pastor Jeff sets aside time during the Sunday school hour to meet and greet visitors in order to answer questions and introduce folks to Oakland. On the fourth Sunday of every month, visitors are welcome to coffee, juice and conversation about how to be a part of Oakland, mission options, and opportunities for their family.

If you know of people who may be interested in learning more about OBC, please invite them to join Jeff in the Fellowship Hall for one of the following Coffee with the Pastor sessions:

January 27,
February 24, March 24,
April 28, May 2, June 23

At Oakland, worship is central to all that we do as it prepares us to live and serve as disciples of Jesus Christ. We offer two distinct worship experiences each Sunday morning, as well as special services throughout the year.

Creative Worship

At 8:45AM in the Family Life Center, we gather in this less formal space for a more creative worship experience. Guitars accompany congregational singing. Often worship will include various multimedia elements, creative ways to pray and participation from children. People of all ages attend this service, and there is childcare, although many families choose to keep their preschool children with them in worship.

Traditional Worship

At 11:00AM we gather for traditional worship in our beautiful sanctuary surrounded by sacred symbols of the faith. Children bring in the cross and light the candles. Worship includes hymns and songs accompanied by organ and piano, a choral anthem sung by one of Oakland's choirs and often handbells or other special music.

ONE Worship

Periodically the whole congregation joins together for ONE Worship. This worship experience varies in style and often includes elements like Deacon Ordination, Christmas in July and special celebrations.

Special Services

State of the Church: January 13, 10:30AM

Join us for ONE Worship as Pastor Jeff delivers his annual State of the Church message. Following worship we will enjoy a covered dish lunch.

Ash Wednesday: March 6, 6:00PM

Join us in the sanctuary for a time of worship which will include the imposition of ashes.

Maundy Thursday: April 18, 6:00PM

We will gather in the Sanctuary for worship and communion as we remember Jesus' Last Supper with his disciples.

Easter Sunday: April 21

Two distinct worship opportunities will be offered. More details on page 9.

Upcoming Opportunities for Worship & Study

January 20 - February 27

We may not be able to solve all the world's problems, but we are called to bear witness to the injustice and heartache we see around us. During this series we will explore how we can speak the truth of Christ to very difficult subjects. The Wednesday following each Sunday will be a discussion on each topic (more details on page 18).

March 6 - April 14

Using the Old Testament and Epistle lessons, we will be challenged to use this Lenten season as an opportunity for renewal, commitment, and God's call - "return to me with all your heart." ~Joel 2:12

Young Adult Class: Fellowship Hall 130

This class provides a place for those who are college-age or just beyond that to study scripture and discuss its application to their lives. This is a place for Winthrop and York Tech students, and young adults just beginning careers to gather regularly, as well as our OBC students who attend college in another city to come to when they are home. Teacher: Ben Lucas

Wacaster Class: Room above the Gym

An active class of 30's and 40's with children ranging from newborn to late teen who gather to share life, love, support, learning, and serving together. We follow the Formations Study Guide and focus on the study of God's word and application of it to our lives. Teacher: Brian Wacaster

Friends and Faith: Room 126

This class primarily made up of couples with children. The average age is mid-30's through 40's. Lessons are discussion-based with the teacher being the facilitator. Our class enjoys socials and get-togethers. Come join us! Teacher: Rotating

Mobley Class: Fellowship Hall 131

This class is aimed at the 45-60 age range. We use the Smyth & Helwys curriculum to study the Bible and apply those lessons to our individual lives and the corporate life of our church. We enjoy developing relationships and supporting each other through the challenges and joys of this stage of life. Individuals and couples are always welcome to join us! Teacher: Judy Mobley

Snyder Class: Fellowship Hall 127

This class generally consists of single and married adults between the ages of late 50's to mid 70's, many of whom are grandparents, empty nesters, widows/widowers, etc. The setting is a circular style, not classroom or lecture seating, designed to encourage comfortable but important conversation about topics and scripture to help us navigate the task of "living in this world, but not being of this world." We use Formations material as our basis of topics and scripture. Nothing, however, keeps us from reaching out to one another during class in Christian love when a classmate is experiencing any of life's struggles. Teacher: Frank Snyder

J. Johnson Class: Fellowship Hall 120

This class is made up of middle aged adults, singles and couples from the mid-50's to mid-60's (some of us do spend time talking about grandkids, but it is not a requirement!). We offer a casual, relaxed conversational and opened-ended class atmosphere in which everyone's opinion is welcomed and all are valued. We use Formations literature as a basis for teaching and discussions. We care about each other and our community and welcome new folks, young or old, to join us as we seek a closer walk with our Lord. Teacher: Jimmy Johnson

Robinette & Williams Class: Fellowship Hall 123

We are late career and early retirement couples and singles who bring mature and varied experiences in Christian growth to weekly open discussions of how our faith does and/or should impact our daily lives, our families, OBC, and the broader community. Our class discussions are facilitated by two rotating teachers with uniquely different teaching styles and anchored by respect, support, and a true sense of “church family” for all members of the class.

Teacher: Gary Williams & John Robinette

Caring Class: Parlor

The Caring Class is especially for women, ages 30 and up, who want the opportunity to share with women of all ages, experiences and nationalities. We care for our class members and others, so we are named for what we do. We use Smyth & Helwys curriculum. Come sit and share at our table. Teacher: Joyce Wright

B. Johnson & Vipperman Class: Room 141

We are an intergenerational class of Princesses and Paupers, wise men and fools, all students of Christ, sharing the news - - arm-in-arm, hand-in-hand, on the journey together to the promised land. Teacher: Barry Johnson & David Vipperman

The Friendship Class: Room 207

This made up of mature ladies who study the scriptures and use the Connections literature to lead us. We minister to and pray for one another through care groups. We make monthly contributions to local ministries as well as foreign causes and use our additional funds for needs that arise in our church and Community. Teacher: Eddie Ramsey

Grady Lane Class: Fellowship Hall 128

The members of the senior men’s Sunday school class (ages 65 and up, but anyone is welcome) come from various backgrounds and talents, but are melded into a body of believers and are eager for dialogue. The literature used is from Lifeway. The class feels strongly that the purpose of Sunday school is to study the Holy Scriptures and strive to find application in everyday living. Teacher: Richard Sealy

Faithful Followers Class: Room 206

We are a class for active men/women senior adults age 60 and above. Currently our lessons come from the Formations Adult Bible Study series, with a teaching style that encourages members to actively participate. Our class is made up of a caring group of individuals, many of whom minister not only to each other, but also to the Rock Hill community through a number of opportunities for service offered by OBC. If you are looking for a Sunday school family, we have a place for you! Teacher: Mack Jones

OAKLAND DAY SCHOOL
rooted in love

Oakland Day School

We aspire to help every Oakland Day School student personally know the lavish love of God while developing spiritual, social, and cognitive growth. This is achieved by creating a community dedicated to exceptional preschool education and service to God through visible caring for all neighbors.

As a preschool, we have the enormous privilege of meeting children at the beginning, supporting their foundation for learning and loving. By creating environments that foster God's love and grace, we provide safe places for our students to learn and grow. At the same time, we maintain a level of excellence that mirrors His work through innovative, compelling curriculum to encourage our students' best.

But our students are not the only ones we are called to serve. We also believe in fully cooperative partnerships with our parents and caregivers. We know that raising children is a mission that can feel daunting at times, and we are here to help share that load. Part of our purpose is to provide practical resources to support caregivers at home, while also offering opportunities for them to engage with other families throughout the year. We believe authentic relationships help combat the misconception that we are alone in our parenting struggles, while also providing judge-free community for growth.

In addition to empowering those within our walls, our call to action also includes those neighbors who are not directly connected to our school. We believe hearts and homes can flourish when God's love is grasped in word as well as deed, so we have made philanthropy and community service a significant component of our curriculum, as well as our school-wide programming.

Oakland Day School is a nonprofit preschool serving 1-4 year olds Monday- Friday from 8 AM to 2 PM. For more information visit oaklanddayschool.com.

Sundays at OBC

Sunday School: 9:45AM - 10:45AM

Middle School (Room 4) and High School (Room 2) Youth meet on Sunday mornings for Bible Study. This year we will be using the Smyth & Helwys curriculum called Intersection. Over the Fall months we will study First Peter, Jonah and Micah. Through conversations, games and a variety of activities we will learn more about these books of the Bible as we apply their wisdom our lives.

Handbells: 4:15PM - 5:00PM

All youth are invited to participate in Youth Handbells, regardless of musical ability. This group periodically plays in the Traditional Worship service. Led by Suzanne Ringer.

Choir: 5:00PM - 5:45PM

Youth Choir is a great place to join with friends and make a joyful noise and a beautiful sound. This group periodically sings in both the Creative and Traditional Worship services and participates in Festival by the Sea each Spring. Led by Suzanne Ringer.

Youth Group: 5:45PM - 7:00PM

Each Sunday, all youth will gather in the Youth Room for an introduction to our lesson for the evening. We will then break up into small groups where we will dig deeper into the lesson. Small group time will also include time to check-in with one another and pray together. At 6:30 we move to the gym for dinner and basketball. Dinner is provided each week by parents of youth and other church members. If you are willing to provide a meal for our youth, please contact Leigh.

This year as we *Live Intentionally*, we will seek to embody the words of Colossians 3:17, letting every detail in our lives: words, actions and everything else, be done in the name of Jesus, thanking God every step of the way.

OBC Church Covenant

United in the faith that Jesus Christ is the Son of God, revealed in history, disclosed in the Scriptures, and experienced in human life, we, the people of Oakland Baptist Church, do solemnly and joyfully make this Covenant together:

- We will be faithful to the public worship of God, gathering as the Body of Believers to celebrate God's glory and remember God's grace.
- We will take seriously the responsibility and privilege of personal Christian growth, diligently seeking to establish and maintain a Christian atmosphere in our homes.
- We will love and encourage each other in the Body of Believers and admonish each other as occasion may require. Our differences will not separate us but rather increase our understanding and strengthen the bonds of Christian love.
- We will be faithful stewards, as God has prospered us, contributing our financial support for the Church and its ministries and offering ourselves for God's work in the world.
- We will, with God's help, so live our lives that others, seeing the joy of Christian living, may seek to know Jesus Christ our Lord.
- We will be a servant Church, recognizing the infinite worth of every person and believing that Christ has called us to active involvement in behalf of humankind.⁴
