

Thurston PTA's Alternative Fundraiser

This fundraiser is in lieu of having Thurston families participate in an activity-based fundraiser. It's a simple, one time donation and 100% goes directly to Thurston PTA to support our students, teachers and school. Our goal is \$5,000. www.thurstonmiddleschoolpta.org

Thank you in advance for your support!

Thurston PTA has zero fundraisers where students/parents are asked to sell or purchase items. Instead we have this Alternative Fundraiser. Our other 2 biggest fundraisers are the Kindness Challenge and Sports Swap.

___\$10 I'm already a Thurston PTA member, but here's another \$10 to help you reach your Alternative Fundraiser goal.

___\$25 I do not want to participate in any fundraising activities all year, so here is the money I would have spent on those fundraising activities.

___\$50 I do not want to ask friends, family, neighbors or co-workers for donations, so here is the money I would have raised had I contacted all of these people.

\$_____ I am making this donation to express my appreciation for not having to participate in fundraising activities.
