4. Laguna Canyon Foundation - Keep it Wild Big Bend

<https://lagunacanyon.org/volunteer/>

Join Laguna Canyon Foundation and OC Parks at one of our habitat restoration stewardship events in Laguna Coast Wilderness Park as we learn and work together to create healthier habitat for the native plants and wildlife that call the canyon their home. Depending on the time of year, volunteers will assist with various stewardship activities, including removal of non-native plants, seed collection, and/or planting of native plants. No experience is necessary, and all tools will be provided. Please wear long pants, close-toed shoes, and sun protection and bring water. Come out and join the team to help restore the wild lands we all enjoy!

Location: Big Bend Staging Area (west side of Laguna Canyon Rd/SR-133, approximately 1 mile south of El Toro Rd.). **For questions, call 949-497-8324 Mon-Fri or 949-923-2235 Sat/Sun.**

Age Requirements: Ages 5 – 16 are welcome but must be accompanied by a parent. Students 16 – 18 years old are welcome with a waiver signed by a parent/guardian that is collected at the start of the event. The waiver will be sent to you after the online registration form is completed.

8. Students can get creative and choose their own random acts of kindness, such as submitting a video for the Thurston Film Festival of their Kindness Challenge Act(s) and paying it forward by inspiring other students to do good. Walking a neighbor's dog, offering free babysitting, picking up trash, doing yard work, cleaning the house.....the list is endless! =)
