Celebrate 10 Years With the Northampton Recovery Center

Join the NRC community on Friday, November 13, for our 10th Anniversary Celebration Gathering & Fundraiser. All are welcome!

Date: Friday, November 13, 2026

Time: 3:30 to 6:00 p.m.

Location: Northampton Recovery Center, 25 Armory Street, Northampton, MA 01060

For ten years, the Northampton Recovery Center has offered a safe, welcoming and peer-driven community for people following all pathways and stages of recovery—and for the families, friends and allies who walk beside them.

This anniversary gathering will bring together participants, volunteers, community partners and neighbors to recognize a decade of connection and help build the foundation for the NRC's next ten years. The evening will include a Silent Auction and opportunities to learn about and support the center's ongoing work. Light refreshments will be served.

Established in 2016, the Northampton Recovery Center is a safe, peer-driven community that provides a positive welcoming environment for people on all pathways and in all stages of recovery from addiction, as well as for their families, friends, and allies. Together we share support, resources and hope. Peers design and lead opportunities for social, educational and wellness activities that support recovery. The NRC honors the value of lived experience and provides a creative place for people to heal and grow in mind, body and spirit.

Ways to support the celebration include:

- Show up!
- Become a Tenth Anniversary Sponsor and be recognized as a Community Partner in Recovery.
- Contribute a gift card, product, service or special experience to the silent auction by Friday, October 30.
- Join the 10 for 12 Recovery Circle with a recurring monthly gift that supports the NRC throughout the year. Visit our website for details at northamptonrecoverycenter.org
- Share this announcement with colleagues, community members, families and friends.

Recovery strengthens the entire community. We hope you will join us in celebrating this milestone and helping ensure that connection, dignity and peer support remain available in the years ahead.
