The Children's Advocacy Center has partnered with High Five Books for Child Abuse Prevention Month to offer a book fair focused on prevention books! Visit the link above to explore some of the titles! A portion of all sales will go back to the CAC so that we can continue giving these amazing materials to schools and teachers!

Open House for School Social Workers and Adjustment Counselors

On May 2, The CAC will host an Open house from 12-4 for school social workers and adjustment counselors. This will be an opportunity for them to tour the space, ask questions, and learn about the response when a child has been sexually or physically abused.
