WHEEL

SCAVENGER
HUNT

CONCESSION
STANDS

TEST YOUR
MEMORY

PRIZES &
GIVEAWAYS

Join us for an action-packed exploration of SPIFFY's year-long assessment of youth health in Hampshire County. Help us make sense of findings from parent focus groups, key informant and youth interviews, community scans, and surveys. Check out current trends in youth substance use treatment, hospital visits for substance misuse and mental health crises, and poison control data. Be part of shaping SPIFFY's 5-year strategic plan and help us build the infrastructure, culture, and community to support youth in making positive choices for themselves.

**Please register by
September 23rd:**

We respect every person's decisions related to self care and safety. We will not require proof of vaccination, however masks are strongly encouraged.
For more information regarding the event, contact Lisa Goldsmith at LGoldsmith@collaborative.org

The mission of the Strategic Planning Initiative for Families and Youth (SPIFFY) is to collaboratively engage in data-driven prevention efforts to reduce youth substance use and build healthy communities in Hampshire County.
