Wee Explorers (18 months - 3 years): Secret Letters Activity

Your little learners will love this activity that is a combination activity building literacy with the fun of an art project.

What You Need:

- White Crayon
- White Paper
- Water colour paint and paint brush

What You Need:

1. Parents or Providers can write letters or a special message using the white crayon on the white paper. Try and write lightly so they can't see the letters but firm enough so that the paint will
2. Tell the child that there is a secret message or secret letters on the page for them to discover
3. Ask the child to paint over the page with different colour and the letters will be revealed! (ensure the brush has enough paint on it and is not too watery)
4. To encourage literacy, read the letters or ask them to identify the ones they know!
5. You can be as creative as you like with letters, words and pictures!
