

Wee Play & Learn

Wee Learners
(4-5 years):
Apple Print Wreath

What you need:

- Apple, cut in half
- Red and green paint
- Glue
- Paintbrush
- Brown construction paper or paper plate
- White construction paper
- Scissors

What to do:

1. Place some paint on a paper plate and dip the apple into the paint.
Or, apply the paint using a brush right onto the apple.
2. Stamp the apple on the white paper.
3. Make several prints and have your child paint the stem and leaves on the apples.
4. Cut out a large circle from brown construction paper or you could use a paper plate, paint it brown and cut out a circle from the middle.
5. Glue the apple prints around the circle.
