

## Kids Can Cook

### Cornflakes Wreath

#### Ingredients:

- 1/2 cup butter
- 5 cups mini marshmallows
- 1 teaspoon green food coloring
- 5 1/2 cups corn flakes cereal
- Handful of red M&M's
- Parchment paper

#### Directions:

1. Measure corn flakes into a large bowl.
2. Melt butter in a large saucepan over low heat (you may need to do this without the children). Once melted, add the marshmallows and stir continuously until completely melted – ask the children to help you mix and stir. Stir in food coloring.
3. Pour melted marshmallows into the large bowl with the corn flakes. Stir until well coated (again ask your children to help you).
4. Lay out a piece of parchment paper on your kitchen counter. Dollop spoonful of the cornflake mixture onto the parchment paper.
5. Grease your (clean) hands with butter or cooking spray or dip them in a little bit of water. Use your fingers to shape each spoonful into an individual wreath. You can also use a cup to make the round circle for the wreath.
6. Top each wreath with red M&M's.
