

RITZ Snowman Cheese Bites

These Ritz Snowman Cheese Bites help develop fine motor skills, hand-eye coordination, independence, and creativity while letting children have fun making their own tasty treats.

What you need:

- 16 RITZ Crackers
- 1 pkg. (5.3 oz.) garlic and herb cheese spread
- 16 red pepper strips (2 inches long)
- 1 baby carrot
- 8 small pitted black olives, cut lengthwise in half for the hats.
- 8 more small pitted black olives for the eyes

What to do:

1. Place crackers, top sides up, on platter. Roll cheese spread into 16 balls, using about 2 tsp. cheese spread for each ball. Place on crackers.
2. Tuck 1 pepper strip under edge of each cheese ball for the snowman's scarf as shown in photo.
3. Adults only, cut olives into small pieces for the eyes
4. Adults only: cut carrot into 8 lengthwise slices, then cut each slice crosswise in half. Press 1 carrot piece into each cheese ball for the snowman's nose.
5. Top with olives for the hats.
