## Wee Learners (4 - 5 years): Glow in the Dark Pumpkins

### What You Need:

- Pumpkins (various sizes)
- Black or White spray paint
- Glow in the dark fabric paint
- Toothpicks and Q-Tips
- Blacklight (optional)

### What to do:

1. Let children pick the size of pumpkin they will be using.
2. Ask children if they would like to spray paint their pumpkin white or black or leave it orange.
3. Ask your child to lightly draw a design onto the pumpkin with a pencil.
4. Using the glow in the dark fabric paint, go over your pencil design with colours of your choice. Start from the top of the pumpkin and work your way down to avoid smearing the design.  
**TIP:** Keep a damp paper towel and Q-Tip nearby to help remove any mistakes.

5. Toothpicks are great to use when you want to make small or fine details

If you have a blacklight – use it and see how the pumpkins will glow
