

Wee Play & Learn

Wee Mentors (6+ years): Fall Bucket List

This is a great simple family bonding activity that can be done in one weekend or throughout the Fall season.

What you need:

- Printer
- Print out of Fall Bucket list (on the next page)

What to do:

1. Print the Fall Bucket List (on the next page), or you can come up with your own list as a family.
2. After you have created or printed a list, ask children to read what is on the list and start prioritizing which fun activities to do first.
3. As you complete an activity check it off or cross it off your list. Make sure you take lots of pictures for each item you cross off your list
4. After you have completed everything on the list, sit together and look at all the pictures you took during your adventures, and discuss what was the most fun activity your child liked, what was their least fun activity they liked, what would they like to do again, etc.
