Wee Builders
(3 – 4 years):
Halloween Ghost Bowling

What you need:

- At least 6 white paper cups
- Black marker
- A soft ball or mini pumpkin

What to do:

1. On each paper cup, draw the eyes and mouth of a ghost with black marker.
2. Stack the paper cups to make a pyramid.
3. Have children stand a short distance away and take turns rolling the ball/mini pumpkin at the 'ghosts', and see how many they can knock over with each throw.
