

Bubble Tennis

Bubble Tennis is a fun and easy activity for all ages. It only takes a couple of supplies to create the rackets and then you can let the fun begin

What you need:

- Paper plates
- Self-adhesive tipped craft sticks (or large popsicle sticks and glue dots at the end of the craft stick)
- Crayons
- Sports themed stickers (optional)
- Bubbles (you can make your own mixture with $\frac{1}{2}$ cup of dish soap, $1\frac{1}{2}$ cups of water and 2 teaspoons of sugar mixed together.)

What to do:

1. First decorate your paper plate. Encourage little ones to make the "racket" part their own special creation
2. Once done designing their "racket" / paper plate, attach the craft sticks to the back of the paper plate. Make sure you place the stick as close to the middle of the paper plate as possible.
3. Blow bubbles and have little ones hit as many as they can
4. If you have enough little ones, set up your own mini-tennis tournament.
5. You can also play with your own plate and bubbles on your own trying to collect all the bubbles before they hit the ground.
