TOGETHER WEE CAN "CELEBRATES CANADA 150" 2017

Another fantastic Together Wee Can program is in full swing, "Together Wee Can Celebrates Canada 150".

In honour of Canada celebrating 150 years in 2017, Wee Watch children and Providers are spending the year exploring all parts of Canada; 10 provinces, 3 territories, time zones, landscape, culture, food, celebrations and famous attractions.

We have explored Nunavut, Quebec, Yukon, Northwest Territories, Prince Edward Island and Newfoundland & Labrador so far.

June: Ontario

This month we will be exploring our home province, Ontario! Did you know Ontario is Canada's most populous province, accounting for 40% of all Canadians?

Providers and children will create their own "Great Lakes" water play area, build their own CN Tower, and they will also be getting ready for the big CANADA 150 celebration happening countrywide on Canada Day.

While in the kitchen children will whip up some Butter tarts, a type of pastry tart that is an integral part of Eastern Canadian Cuisine.

July: Alberta

During the month of July "Together Wee Can Celebrates Canada 150" heads west, taking us to the Prairies where we will learn about the province of Alberta.

While children are exploring Alberta they will learn about the famous Calgary Stampede, make their own horses and personalize their very own cowboy/cowgirl vests. Children will then learn all about the Badlands of Alberta and the Dinosaur Provincial Park, where they will dig for dinosaurs and make dino shoes so they can stomp around like the dinosaurs did in Prehistoric days.

In the kitchen Providers and children will be making maple leaf shaped pancakes in honour of the Calgary Stampede. Did you know every year during the stampede Calgarians serve and consume more than 200, 000 free pancakes?
