

## Mother's Day Craft: Teacup Cards

### What you need:

- Empty Egg cartons
- Coloured cardboard or construction paper
- Pipe cleaners
- Glue or glue gun
- Sequins or sparkles for decoration
- Patterned craft tape (optional)
- Markers

### What to do:

1. Cut one egg carton square in half (as see in the picture) and stick it flush to the card.
2. Fold the sheet of coloured cardboard or construction paper in half to make it into a card. Glue the egg 'cup' to the front of the card. You may need to help your child if you are using a glue gun (which would be better to glue the egg carton)
3. Cut a small piece of pipe cleaner and curve it to make a teacup handle. Glue the pipe cleaner to the side of the cup so it looks like a handle
4. Let your child decorate the card with sequins, sparkles, markers, etc. Once they have finished decorating, stick a tea bag with small amount of glue so that it can be taken out easily by mom

You can turn this gift into a Tea Party!
